

# Collis Solutions for Mobile Telecom

## Test Tools

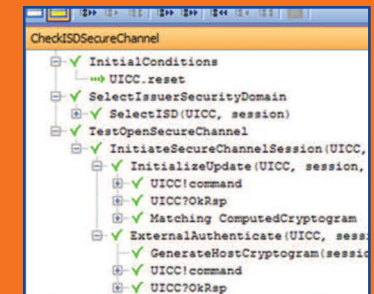

## Test Tools

Collis also has a wide range of solutions for Contactless & Mobile (NFC) Payments

“The training style and information that we received from the Collis Contactless & Mobile Payments course has been **invaluable**. The trainers are **excellent** with a good knowledge base.”

Peter van Woezik  
Rabobank

“We've been using Aspects Tools to help us **develop SIM toolkit applications** and investigate handset compatibility issues. ...these tools dramatically reduce our testing and troubleshooting effort ... a **joy to work with.**”

Chris Drane  
Seeker Wireless
