

Reference Sheet - Issuers

“We are pleased that the tool offered by Collis is qualified as part of the MasterCard program. This qualification offers a test tool available to MasterCard issuers to prepare the formal Card Personalisation Validation session. We are confident that **MasterCard issuers will directly benefit from this qualification.**”

Christian Delporte, Head of Chip Product Development
MasterCard Worldwide

“We are delighted that Collis’ EMV PVT covers Visa Asia Pacific’s personalisation test requirements. The availability of such test tools provides **great support to our issuing members** and will significantly help to smoothen the migration to EMV in Asia Pacific.”

Peter Manners, Head of Chip
Visa Asia Pacific

“With the Collis EMV PVT, JCB card issuers and bureaus can verify personalised data easily and **shorten the time to market.**”

Takahiro Horikoshi, Senior Vice President,
JCB

“Collis has provided Oberthur Technologies with a **simple yet effective** tool for EMV personalisation validation”

Gilles Marquaire, Technical Manager, Payment
Oberthur CS

“Collis’ EMV PVT means **confidence**... I have experienced other tools previously and I can say that these people (Collis) went really beyond.”

Joseph A. Haskour, Manager, Projects and Development
Qatar National Bank

“Collis’ EMV PVT helped us to **rise the quality of the products.** That is the biggest benefit gained since we started to use the Collis product.”

Tonu Ots, Cards Area Manager
Hansabank (Swedbank)

“The Collis EMV PVT is considered a **critical tool** used to verify any EMV contact or contactless card products BZWBK are offering.”

Krzysztof Kazmierski, Card Systems Development Manager
BZ WBK
