

# Reference Sheet - Asia-Pacific

“We are delighted that the Collis EMV PVT covers Visa Asia Pacific’s personalization test requirements. The availability of such test tools provides great support to our issuing members and will significantly help to smoothen the migration to EMV currently underway in Asia Pacific”

Peter Manners, Head of Chip,  
**Visa Asia Pacific**

“JCB selected Collis for its professionalism and quality products and services. We strongly believe that the tool developed by Collis will pave an efficient and trusted path for JCB partner issuers and their bureaus in expanding JCB products, and lead to strengthening the brand presence.”

Yuichiro Kadowaki, Senior Vice President of Global Infrastructure and Technologies,  
**JCB**

“We are pleased that the tool (Collis EMV PVT) offered by Collis, a recognised player in the chip testing market, is qualified as part of the MasterCard program. This qualification offers a test tool available to MasterCard issuers to prepare the formal Card Personalisation Validation session. We are confident that MasterCard issuers will directly benefit from this qualification.”

Christian Delporte, Head of Chip Product Development,  
**MasterCard Worldwide**

“Collis provides professional and user-oriented smartcard testing tools, especially the PVT testing Script which helps us achieve EMV card standard more easily and quickly.”

Cecilia Chou, Manager  
**Taishin Commercial Bank,**

“The Collis Conclusion Test Platform really helps us in increasing the effectiveness of testing and results in much more stable systems.”

James Den, Supervisor Security Control Division,  
**FISC**

“Collis not only demonstrates their leadership in the EMV consultancy and testing field, but also proves that Collis is indeed really committed to quality and efficiency.”

Joon-Ho Lee, Application Development Principal,  
**Samsung SDS Co Ltd**
