“Collis provided us with **up-to-date EMV knowledge** within two days!”

Jean Marchand, Senior Manager,
National Bank of Canada,
Canada

“Our day-to-day activity has been highly improved thanks to the two-day EMV training provided by Collis. Our instructor was **very experienced and knowledgeable** who cleared up a lot of questions we had.”

David Hernández,
Visa Testing Functional Analyst,
Applus,
Spain

“Thanks to a good explanation by the instructor **my EMV knowledge was expanded**”

Chris Hoofs,
Oberthur Technologies,
The Netherlands

“Thanks to the highly EMV skilled instructors with many years working experience I could manage to **absorb a lot** within the two day course. It opened a new door to the future.”

Elias Engedashet, EMV Terminal testing,
CEKAB (Centralen för Elektroniska Korttransaktion AB),
Sweden

“The training style and information that we received from the Collis Contactless & Mobile Payments in-house **course has been invaluable**. The **trainers are excellent** with a good knowledge base. The course allowed myself and my colleagues at Rabobank to extract knowledge for our particular purposes. It really enabled us to fit the NFC pieces together to see the overall picture.”
