

EMV Chip Seminar

The Canadian Payments Industry is moving to EMV Chip. Visa & MasterCard announced a liability shift in 2010 - **will you be ready?**

B2 & Collis are pleased to offer a technically-focused **EMV Chip Seminar**. This seminar is brought to you in partnership with the Collis Training Academy. Collis is world renowned for EMV Chip Training & Test Tools and accredited by MasterCard to deliver chip related consultancy and training.

Who Should Attend: The seminar is designed for those who want to know more about Chip or for staff who are responsible for planning, testing, development, certification or implementation of Chip.

What Will Be Covered: The seminar leader is Mr. Itai Sela, an EMV expert with experience teaching EMV in Canada and around the world. The session will be conducted in English and will be held in Toronto. The EMV Chip Technical Seminar will be held over two full days and covers the following:

- ◆EMV Overview and Specifications
- ◆Functional and Technical Transaction Flow
- ◆Brand Testing and EMV Certifications
- ◆Cryptography and Key Management
- ◆Contactless Overview
- ◆Certification in Canada
