

NFC Seminar

NFC is much more than just the latest buzz word. Across the globe, exciting new developments are taking place - are you ready for NFC?

B2 & Collis are pleased to offer an eye-opening **NFC Seminar**. This seminar is brought to you in partnership with the Collis Training Academy. Collis is world renowned for its test tools, consultancy & training in the Payment, Mobile Telecom, Transport & Government sectors and is accredited by MasterCard to deliver chip related consultancy and training.

Who Should Attend: NFC (Mobile Contactless) offers new opportunities to mobile operators, banks, transport companies and other service providers. This seminar will prepare you for the next step in the evolution of contactless payments.

What Will Be Covered: The seminar leader is Iain Maxwell, a Senior Consultant with Collis Great Britain Ltd (formally known as Aspects Tools Ltd.). The session will be conducted in English and will be held in Toronto. The 1 day NFC Seminar covers the following:

- ◆ From Contactless Cards to NFC (Introductory Overview Module)
- ◆ The standards that define Contactless Technology
- ◆ NFC - Contactless Payments in a Handset
- ◆ NFC Forum Specifications
